

Strategic Partnership opportunity, not to be wasted

A rare opportunity to operate and own a logistics technology platform in your region

We are looking for a strategic partner, **this could be your company**

What You Get

- A. **Regional Leadership (Europe / South Asia)**
Lead selected markets with cross-border business opportunities connected to Southeast Asia
- B. **Full Market Control**
Operate and grow the platform locally with full flexibility
- C. **Integrated Payments**
Direct connection to local payment gateway under your control
- D. **Local Operations Ownership**
Manage user onboarding and verification (shippers & transporters/providers)
- E. **Regulatory & Product Input**
Advise features and ensure compliance with local market needs
- F. **Attractive Profit Sharing**
Majority profit-share of transaction revenue belong to you
- G. **No Upfront Investment**
Start without capital contribution
- H. **Full Technical Support**
Mahyu provides complete platform, infrastructure, and ongoing development

Summary

A capital-light, technology-driven partnership:

Mahyu provides the platform and infrastructure, while you lead market execution, operations, and growth.
