Detail proforma invoice email includes Barcode Label, allowing easier to track shipment.

Shipment Dates

Once shipment is accepted by airline at the airport warehouse, operation user input corrected weight in accordance to airport warehouse:

- System immediately print AWB, Airline label and Barcode label corresponding to invoice number and AWB number.
- The system immediately generate final invoice with final weight charges per warehouse scale:
 - If the final invoice amount differs from the proforma invoice, the system will automatically adjust the difference from the user's credit limit.
